

Support at Home Price Guide 2026

This price guide provides transparent and easy-to-understand pricing for our Support at Home services. We are committed to providing a safe and optimum quality service which meets the needs of all our clients.

The rates in this Price Guide are charged to the client's budget. The budget is made up of the Australian Government subsidy and client contribution (if applicable).

Clinical Supports

Our dedicated team of **Registered Nurses** provides compassionate, expert care to support your health and wellbeing.

Our **services include wound care and management, medication support, continence care, palliative care, and general health assessments.**

Your **Care Partner** offers **Care Management services**, serving as your key contact for accessing and coordinating the support you need to live well. Funded through a 10% deduction from your budget, Care Management includes:

- ✓ Working with you to create and update your Care Plan.
- ✓ Managing your services to make sure you get the support you need.
- ✓ Regularly reviewing and monitoring your goals and progress.
- ✓ Offering extra guidance and education to enhance your home care experience.

If you are on a **Short-Term Pathway**, such as **Restorative Care or End-of-Life support**, **Restorative Care Management** helps you access and coordinate the services you need. This service is delivered by a clinician, rather than a Care Partner, to provide specialised care.

CANCELLATION & NO-SHOW POLICY (SUPPORT AT HOME)

A **scheduled service** is any agreed care with a specific date, time and location (e.g. personal care, nursing, transport).

A **late cancellation** is when less than 2 business days' notice is given.

A **no-show** is when you are not present at the agreed time and location.

If a **service is cancelled late or you do not attend**, Residential Gardens may charge:

- Your agreed contribution fee, and/or
- The full cost of the service, where applicable.

This may apply when a service was confirmed and could not be delivered due to late cancellation or no-show. These rules are permitted under the Aged Care Act 2024.

If you had a **valid reason** for cancelling (such as hospital admission, sudden illness, or unexpected change in support), you may request a review. **Evidence** may be required and fees may be waived at our discretion.

Your Rights:

- You can question any late cancellation or no-show charge.
- If unresolved, you may contact the Aged Care Quality and Safety Commission.

Your Responsibility:

- Please give **at least 2 business days' notice** to avoid fees.
